Reporting requirements under Section 28A of the Laborers Master Agreement

If any of your employees are no longer performing covered work within the recognized jurisdiction of the Northern California Laborers Master Agreement and your collective bargaining agreement and your company desires to continue coverage on their behalf please contact the Laborers Local Business Manager in your area to identify names and classifications of any such participating individuals and execute a supplemental participation agreement with that information. Contributions on behalf of supervisory personnel above the rank of foreman are allowed under the provisions of the Laborers Master Agreement as identified in Section 28A.

In coordination with your Local Union Business Manager, written notification of your classification changes in personnel will need to be provided to the Laborers Administrative Trust Funds Office in order that appropriate reporting forms may be provided to your company. If you have any questions please contact the Northern California District Council of Laborers or your Local Business Manager.

Delinquency Notice

Employer contributions are due the 15th each month. If the monthly contributions or reports are not received or postmarked by the 25th, contributions are considered delinquent. Each month, as the 25th nears, the Fund will issue a Delinquency Notice that lists the report period missed.

If you receive a Delinquency Notice, but are certain that the report was mailed on time, the report and notice likely crossed in the mail. If this is the case, call the Employer Services department to confirm receipt of your report.

If you did not employ any Laborers for the period listed on the Delinquency Notice, simply sign it where indicated and return to the Fund Office via mail or fax 707-864-5856.

If your report is not yet mailed, please do so immediately. Remember, contributions received late are subject to liquidated damages and interest. To avoid a Delinquency make certain that the contribution form and report are submitted on time and completed accurately.

Completing a Contribution Report Form

Use Contribution Report Form mailed to you
Submit contribution report if you have NO hires for the month
Write laborers’ SSNs and DOBs clearly
Inactivate the mailing of reporting forms if no longer employing laborers
Verify contribution columns added accurately
Mail contribution reports/payment to BANK
Report prior month adjustments on separate sheet and send it to the Trust Fund Office.

DO
Copy a previous report to use; it has a unique number that is only valid once. If you need to report additional hours for a previous period or need a supplemental report, contact the Trust Fund Office.

DO NOT
Create your own report for submission - rather use the one sent to you by the Trust Fund as it has a unique identifying number.
Send payment by certified mail, as it will delay the payment process.
