Money Follows the Man Agreements

As a signatory employer to a collective bargaining agreement in Northern California you are required to report and pay contributions to the Northern California Laborers Trust Funds for all work performed in the Northern California jurisdiction, which term means that portion of the state of California above the Northerly boundary of Kern County, the Northern boundary of San Luis Obispo County, and the Westerly boundaries of Inyo and Mono Counties, regardless of where the employees home Trust Funds are located.

If your employees home Trust Funds are outside of Northern California they may request a "Money Follows the Man Agreement" from the local union in the area they are working. This agreement will allow them to reciprocate (transfer) their Pension and/or Health and Welfare benefits from Northern California Laborers Trust Funds to their home Trust Funds and vice versa. These agreements are valid for twelve months. Upon expiration of the agreement, the employee can request a new agreement from the local union if needed.

As the employer, please be advised that your company must also be signatory at the employees home Trust Fund's jurisdiction in order for the Trust Funds to be able to reciprocate the benefits.

Delinquency Notice

Employer contributions are due on the 15th of each month. If the monthly contributions or reports are not received or postmarked by the 25th of the month, the contribution is considered delinquent. Please note that as the date of the 25th nears, the Fund will issue a Delinquency or "Reminder" Notice that lists the report period that we have yet to receive.

If you receive a Delinquency Notice and you are certain that you mailed your report timely, chances are that the report and notice crossed in the mail. Should this be the case, call the Employer Accounts department to confirm receipt of your report.

If you did not employ any Laborers for the period that is listed on the Delinquency Notice, simply sign the notice where indicated and return it to the Fund Office via mail or fax (707) 864-5856.

If you have not mailed your monthly report, please do so immediately. Remember, if your contributions are received late, they are subject to liquidated damages and interest.

To avoid receiving a Delinquency Notice make certain to submit the monthly contribution and report timely and complete the contribution form accurately.

Annuity	additional	\$0.68 per hour
Training	additional	\$0.02 per hour
Total	additional	\$1.50 per hour

Contribution Facts

The **Contribution Rates** billed to an employer are determined by their Agreement, not by the Local Union dispatch slip.

Fringe benefit contributions are required for all hours worked and / or paid covered by the Agreement, whether or not the employee is in the union. These contributions are always paid to the Trust Funds, not to the employee.

Contributions to the Vacation-Holiday Trust Fund are subject to tax withholding as part of the employee's total compensation. This contribution however is not a part of the hourly wage rate.

Once you begin to report owners, partners, or supervisory personnel above the rank of foreman, you must continue to report them as long as they are in your employ. These personnel should be reported on the basis of one hundred-seventy (170) hours per month, regardless of the hours actually worked.

Contribution rates may differ if you are not signatory to the Master Agreement.

Certified Payroll/Release

In order to receive an unconditional release make sure you have completed and submitted your Certified Payroll correctly to your General. Then provide us with a completed copy including all non-performance statement and we will expedite your request for a release.

All contractors and subcontractors who perform work on government construction contracts and federally-assisted construction projects are required to submit certified payroll.

Each employee must be classified in accordance with the type of work they perform on the job site. An employee is anyone who is performing construction work on the project, including: trade journeyman (carpenters, plumbers, sheet metal workers, cement masons, etc.); apprentices, trainees, watchmen, guards, and traffic control personnel, Apprentices and Trainees and working foreman or supervisors that regularly spend more than 20% of their time performing actual construction work on the project are considered to be covered and, therefore, required to be reported on the certified payroll report.

Fringe Benefit Check Boxes – Indicates HOW and WHERE Fringe Benefits are to be paid (approved Plans, Funds, or Programs- means that you pay all required fringe benefit rates to a Union or Bona-fide Fringe Benefit Plan).

Completing a Contribution Report Form

DO

Use the Contribution Report Form mailed to you,
Submit the contribution report if you have NO hires for the month,
Inactivate your account if you no longer employ laborers,
Write the laborers' social security number clearly,
Verify that the contribution columns are added accurately,
Mail your contribution report and payment to the BANK.
Report adjustments for prior months on a separate sheet and send it to the Trust Fund Office.

DO NOT

Copy a previous report to use as it has a unique number that can only be submitted once. If you need to report additional hours for a previous period or need a supplemental report, contact the Trust Fund Office.

Create your own report for submission- rather use the one sent to you by the Trust Fund as it has a unique identifying number.

Send your payment to the Fund Office by certified mail as it will delay the payment process.
