TO: All Eligible Retired Participants and Their Dependents
RE: Comparison of Dental Plans - Effective March 1, 2020

The Laborers Health and Welfare Trust Fund for Northern California ("Fund") offers three (3) Dental Plans to Retired Participants and their eligible dependents who have satisfied the eligibility requirements of the Retired Laborers Plan ("Plan"). When you initially become eligible to participate in the Plan, you have to decide whether or not you want Dental Plan coverage. Enrollment is **OPTIONAL** - meaning you do not have to elect Dental Plan coverage. **However, if you decline coverage**, you will not be given another opportunity to enroll in the future.

If you decide to enroll, you must pay the monthly premium for the cost of Dental Plan coverage provided to you and your enrolled dependents, if any, in addition to your monthly premium for Medical Plan coverage. You are not allowed to enroll in a Dental Plan without enrolling in a Medical Plan. Dental Plan enrollment is also subject to a mandatory minimum coverage period of **6 months** - meaning you cannot cancel your Dental Plan at any time but only after you have had coverage for 6 consecutive months. You are then allowed to change Dental Plans during the annual open enrollment period for an effective date of March 1 which is the beginning of the Plan Year. The three Dental Plans offered by the Fund are:

- 1. Anthem Blue Cross (ABC) Dental Complete** – this is a traditional fee-for-service dental plan. You may select any dentist. Your out-of-pocket costs is greater if you use a non-ABC dentist. Emergency dental care outside USA are covered under International Emergency Dental Program. Any dentist within USA. ABC dentists located within California. Outside California, dentists participate in Anthem Blue Cross Blue Shield dental network.
- 2. Unum Dental/Starmount Managed Dental (formerly PrimeCare)** – a pre-paid HMO dental plan. All services and referrals must be provided by a Unum dentist. No benefits will be paid if dental services are performed by other than a Unum dentist. Dental offices within Northern California.
- 3. DeltaCare USA** - a pre-paid HMO dental plan. All services and referrals must be provided by a DeltaCare dentist. No benefits will be paid if dental services are performed by other than a DeltaCare dentist. Dental offices within Northern California.

On the reverse side of this notice is a Comparison and Summary of Dental Plans that describes in summary the type of service, how much each Dental Plan covers, your out-of-pocket costs and the monthly premium that you have to pay for dental coverage. The Comparison has been designed to help you understand the difference of the three Dental Plans so that you can decide which Dental Plan suits your entire family's dental care needs. We urge you to review the Comparison **before** selecting a Dental Plan. Again, you are allowed to switch Dental Plans during the open enrollment period only. To enroll or switch to another Dental Plan, request a Dental Plan Election and Cancellation form from the Fund Office, your Local Union or go to our website, www.norcalaborers.org, to print or order the form. The Dental Plan Election and Cancellation form must be mailed back directly to the Fund Office at the above address - **do not mail it back to the Dental Plan provider that you elected.**

It is important that you notify the Fund Office immediately if you want to delete an existing dependent from or add a new dependent to your Dental Plan such as your spouse or child. An updated Enrollment Form is required to add or delete a dependent. You may obtain an Enrollment Form by either visiting the Fund Office or any Local Union office, call the Fund Office to request a form mailed to you or print a form by visiting the Trust Funds' website at www.norcalaborers.org.

If you need more information or have any questions, please do not hesitate to contact the Fund Office.

Sincerely,

BOARD OF TRUSTEES

Revised 2/1/2020
