Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<b>\$150</b> /individual or <b>\$450</b> /family. 03/01-2/28.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <a href="#">deductible</a> ?	<b>Yes.</b> Inpatient hospital services, routine physical exams, well baby visits to 24 months of age or the prescription drug benefit.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
Are there other <a href="#">deductibles</a> for specific services?	<b>No.</b>	You don't have to meet <u>deductibles</u> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<b>\$3,000</b> /individual or <b>\$6,000</b> /family. Participating providers (PPO) only	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billed charges, health care this plan doesn't cover, <u>copayments</u> , <u>coinsurance</u> on non-PPO <u>provider</u> claims.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <a href="#">network provider</a> ?	<b>Yes.</b> The Anthem Blue Cross Prudent Buyer Plan Network. See <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	<b>No.</b>	You can see any <u>specialist</u> you choose without a <u>referral</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
